*emotional wounds take
longer to heal than physical
wounds.*

Jehovah • Rapha

THE LORD THAT HEALS

EXODUS 15:26

And in Exodus 15 He said “I AM *Jehovah Rapha*” which means “I AM the God who heals”. In Psalm 147:3 the Bible says “He heals the broken in heart and binds up their wounds”.

Four Steps of Healing Process

1. Reveal It to God (Dealing with it)

"I kept very quiet but I became even more upset. I became very angry inside, and as I thought about it, my anger burned." #Psalm39

2. Release The Perpetrator

In His humanity, He said, "Father, forgive them for they know not what they do."

3. Replace The Old Data With God's Truths

And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

#Romans12:2

4. Refocus On The Future

... "forgetting about those things which are behind...reaching for the future!"
